Principal Kieran Stone

Principal Kieran Stone has resigned his position at John Paul II High School in Greymouth. He is leaving the school in extremely good heart with excellent academic results which has been a noticeable characteristic since he took over the role as Principal in 2012.

Marist Brothers High School - Suva

The annual Athletics Sports at Marist Brothers High School is marked by fierce rivalry between the four Houses. The four houses are named after four Brothers who were significant figures in the history of Marist Education in Fiji. This year's winning House was Lambert - the founding Principal. Br Terence found it poignant presenting the cup to the winning captain as Br Lambert was also the founding Principal of St Paul's College; Br Terence's old school. Br Lambert taught French in Form 3 (now Year 9).

Brother Peter Thompson reports

Cyclone Gita did a lot of damage at Takuilau College in Tonga where the brothers taught for many years.

Br Urban was responsible for the brothers going to Takuilau. Parents at Sacred Heart College donated \$1400 which will be sent to the cardinal in Tonga for Takuilau College.

Br Urban Howie and Br William McIntosh are both buried down the road from Takuilau College.
