

3rd International Marist Mission Assembly

One of the purposes of MIMA 3 was to provide an opportunity for Champagnat Marists from across all parts of the Institute to share experiences, listen to realities, discern priorities, and propose guidelines and even strategies for Marist life and mission at the global level.

These priorities and suggestions will form part of the discernment and discussion in preparation for the General Chapter which will be held in September 2025.

Seven priorities were identified. Accompanying each of these was a description of the priority and a number of guidelines.

- ③ Quality Marist Evangelizing Education that shapes the world and is transformative.
- ③ Promotion and Protection of Children and Youth Rights.
- ③ Marist Spirituality as a source of meaning and care for life.
- ③ Participation and engagement of children, adolescents, and youth through spaces of active and sensitive listening.
- ③ Care of Family Relationships to nurture children and youth.
- ③ Care of our common home.
- ③ Promotion of mental health, well-being, and comprehensive care of people.

Prayer

Mary, our Good Mother and Ordinary Resource,
you who, moved by the Spirit,
and welcomed the Word of life in the depths of your humble faith,
help us to say our “yes” to the call,
more urgent than ever,
to make known the Good News of Jesus Christ.

You, who filled with the presence of Christ,
brought joy to John the Baptist,
making him leap in his mother’s womb.
You, filled with joy, sang the wonders of God.

You, who stood before the cross with unshakable faith
and received the joyful consolation of the resurrection,
gathered the disciples in the expectation of the Spirit at Pentecost,
so that the evangelizing Church could be born.

Grant us now a new ardour as we seek to build a global family
as a beacon of hope in this turbulent world.
Walk with us, Good Mother, at this Pentecost of our Institute. Amen.
